

B.W. WELLS HERITAGE DAY

AT ROCK CLIFF FARM

Saturday March 27th, 2010
9:00 a.m. to 5:00 p.m.

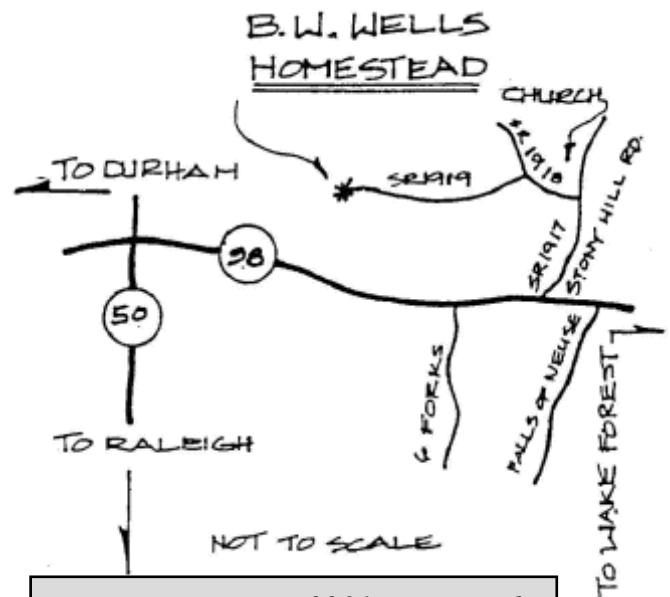

- **Guided Walks**
- **Self-guided Tours**
- **Children's Activities and Games**
- **Displays and Exhibits**
- **Plant and Seed Raffles**

Learn about the pioneer ecologist and early botanist of North Carolina by visiting his retirement home at Falls Lake. Learn about 19th century farm life; take a walk to look at the geology or wildflowers; hike to Zeagle's Rock; participate in a canoe tour around the lake shore; learn about B.W. Wells through ecological games; pick up his book and other literature while enjoying the displays and exhibits and other activities.

Rock Cliff Farm is open for guided tours only, so don't miss this opportunity!
