

Falls Lake Bird Checklist (298)

Seasons

Sp - Spring - March to May
Su - Summer - June to August
Fa - Falls - September to November
Wi - Winter - December to February

Abundance Codes

A - Abundant - always present in large numbers
C - Common - almost always present
F - Fairly Common - usually seen most days
U - Uncommon - present but not always seen
O - Occasional - not always seen or low numbers
R - Rare - not seen most years
V - Very Rare - seen once every five or more years
I - Irregular - highly variable from year to year
X - Accidental - not to be expected

* known to breed

~ suspected breeding
